On July 27, 1994, Bath County Water District ("Bath County") filed an application for a Certificate of Public Convenience and Necessity to construct a \$1,341,700 waterworks improvement project, for approval of its plan of financing for this project, and for adjustments to its water service rates. This project will provide service to 225 additional customers. Project funding includes a \$280,000 bond issue to be purchased pursuant to an agreement with Farmers Home Administration ("FmHA"), a \$520,000 grant from FmHA, a \$179,000 grant from the Appalachian Regional Commission ("ARC"), a \$341,700 Community Development Block Grant from the U.S. Department of Housing and Urban Development ("HUD"), and \$21,000 from applicants for service in the proposed project area. The bonds will be financed for a 40-year period from the date of the bond issuance at an interest rate of 5 percent per annum.

Bath County's application was made pursuant to KRS 278.023, which requires the Commission to accept agreements between water districts and FmHA or HUD and to issue the necessary orders to implement the terms of such agreements within 30 days of

satisfactory completion of the minimum filing requirements. Given that minimum filing requirements were met in this case on July 27, 1994, KRS 278.023 does not grant the Commission any discretionary authority to modify or reject any portion of this agreement.

2. Bath County's proposed plan of financing with FmHA, ARC, and HUD is accepted.

Nothing contained herein shall be deemed a warranty of the Commonwealth of Kentucky, or any agency thereof, of the financing herein accepted.
